VOLUME 1, NUMBER 6

USTC LIVE WOULD LIKE TO WISH OUR CUSTOMERS AND THEIR FAMILIES A SAFE, HAPPY AND HEALTHY THANKSGIVING!

NEW TMS NEWS- DASHBOARD UPGRADE

While not in the same league as a turkey dinner, this upgrade is something that we are definitely giving thanks for! (And not just because it's calorie-free!)

The TMS dashboard upgrade contains a new streamlined design. Along with its sleek look, the dashboard portals have been designed to mimic "Windows". The portals can be manipulated individually; just click on the gray menu bar to drag the portal to a new position. The portal windows can be resized by clicking and dragging the edges.

If you count all your assets...

...you always show a profit.
